uses an activator pad that reacts with a coated paper to make prints without ink for a completely clean process. The prints obtained will be the property of the parents of the child and will be kept at home in a safe location to assist in any future need for positive identification. It is emphasized that no other copy will be made. The purpose of the program is solely to furnish parents with this method of identification. The Lions' Club is financing it as another of their community services to the town.

After the completion of the Center School program, permission slips will be sent home by Old Hammondtown School pupils and printing will be done at that school two weeks later.

Fingerprinting will be done at the Center School March 3rd and at Old Hammondtown School March 17th.

Selectmen's Meeting

February 7, 1984 - by Virginia Arral

OBJECTS TO DRAPERY CONTRACT

Marilyn Sargelis, owner of Accent on Interiors, 2 County Road, met with Selectmen last Tuesday and expressed a strong objection to the process by which the contract was awarded to furnish drapes for the Town Hall.

Ms. Sargelis said she was "confused", "upset", and "hurt" by the decision made recently by the Mattapoisett Woman's Club to award the contract to Custom House Decorating Service, 1 County Road, Mattapoisett, owned by Sandra Bergeron.

She explained she did not understand from the explanation of Selectmen's Executive Secretary Carol Adams that her bid was going to the Woman's Club. She said she truly believed that the bid was going to the town. "You gentlemen probably don't know how much this means to me," Ms. Sargelis said.

Ms. Sargelis explained that she prepared the bid, gave it to the executive secretary

and was told later that she was the low bidder. "I then received a letter from Mrs. Paul Levine, president of the Woman's Club, saying I was not awarded the contract." There was no additional information, she added.

"I contacted Mrs. Levine and asked what the other bids were and Mrs. Levine told me 'no' that she couldn't do that. I informed Mrs. Levine that I am still confused as to why you (the Woman's Club) had a right to take my bid for your organization." Ms. Sargelis claimed Mrs. Levine said they can do anything they want - they're paying for the drapes.

Ms. Sargelis then returned to Carol Adams to get an explanation and asked for a meeting with the Selectmen. "I feel it was done deceitfully", the complainant emphasized.

Selectman James M. Huntoon replied to Ms. Sargelis' comments saying, "we didn't really know how much the Woman's Club wanted to donate. We did a preliminary check into the estimated cost of the drapes. The club's generous offer of $1,500 to pay the full amount of the drapes overwhelmed us." Selectmen noted the only other bidder was Acushnet Saw Mills Home Decorating Center. Although Ms. Sargelis' bid was the lowest, Selectmen pointed out the Woman's Club had the option to award the contract to any bidder they wished.

Selectman Frank Suzan commented to Ms. Sargelis that "there is a rumor your business is up for sale". She denied the business is for sale.

In other business, Selectmen:

The letter continued, "I wanted to pick up my dog but the attendant told me I couldn't do so until Monday." Efforts to locate David Medeiros, the shelter director, failed.

"Through the efforts of the Mattapoisett dog officer I was permitted to feed my dog on Sunday," she wrote. Her letter added, "I was pleased with the cooperation I received on Sunday when a different attendant was there".

Selectmen agreed to send a copy of her letter of complaint to Medeiros along with a letter from our dog officer. The dog was released to Mrs. Feeney on Monday. It was noted that had the director been located on Saturday the dog would have been released at that time.

Board of Appeals Hearing

by Virginia Arral

DENIES BUNGERT'S PETITION

The Board of Appeals, Mattapoisett, on December 15th, held a hearing on the petition of Roxanne B. Bungert for a Special Permit and/or other relief in order to use Apartment #5, 42 Marion Road, as part of Apartment #4.

Her petition was denied on January 30, 1984 after hearing James A. Bungert, her husband and agent, speak on her behalf. Bungert stated, "that although he had checked off on the petition the box marked 'other' under relief, he was in fact only seeking a special permit and that there was no other relief sought."

Mr. Bungert agreed that he did not have an occupancy permit for five apartments at 42 Marion Road, and that at the time he built the fifth apartment, he knew he did not have a valid occupancy permit for the fifth apartment and that he was in essence requesting that the fourth apartment be converted to a two-bedroom apartment.

The Appeals Board determined: That the

fifth apartment is in violation of the original Special Permit granted by the Board to David R. Anderson September 25, 1978, in violation of the town's zoning by-laws, and in violation of the state building code. Also, that the fifth apartment was built intentionally and in violation of the by-law; that Bungert is and was knowledgeable of the requirements for an occupancy permit, and the limitations of Anderson's permit.

Anderson was granted a Special Permit in 1978 for four one-bedroom apartments. On June 27, 1983, the Bungerts were denied a variance to make a fifth apartment, based on the same violations as the most recent denial in January 1984.

The action taken in June by the Appeals Board is presently pending in Superior Court where the Bungerts appealed the town board's decision.

At the December hearing, the only other person to speak was Ms. Shirley Cronan. She was the occupant of Apartment #5 and she expressed a desire to remain on the premises. It was brought out that Apartment #2 was vacant and that Ms. Cronan could occupy that apartment.

In denying the second petition, the Appeals Board reinforced its previous orders to the Bungerts:

1) Remove all electrical wiring and fixtures, all plumbing fixtures and materials from the second floor area at the rear of the structure which presently contains the fifth dwelling unit.

2) Remove the dormer on the second floor at the rear of the structure and return the structure to a single story building with the roof line that existed prior to the dormer being built.

3) Remove all exterior staircases and doors leading to the fifth apartment on the second floor at the rear of the structure.

4) All areas above any of the four dwelling units shall be used only for storage incidental to the use of the structure as an apartment facility. There is to be no expansion of any living areas of any of the dwelling units.

BOOK COMMENT BY PAUL MYERS

It is often observed that "truth is stranger than fiction". You might add that truth is more interesting and more enlightening than fiction. Would you like to be better informed about what is really going on in the troubled areas of our little planet. "New Cuba, Old Cuba", Peru Chile, Bolivia, USSR, Lebanon, Syria, Israel, and the dark worlds of the Khomeinis, etc. Well then, "BUYING THE NIGHT FLIGHT" by George Anne Geyer is your book. It is written by one of our truly great correspondents, and to have the first American woman to have first-hand knowledge of so many places of violence, trouble and chaos with adventure enough for several life-times. She is seen frequently on Washington Week in Review and Meet the Press.

for Girl Scouts and Girl Guides throughout the world to think about each other and to realize that we are all united in friendship.

The celebration at the Mattapoisett Congregational Church Hall began with a flag ceremony, with each troop bringing in the flag of the country they had studied about. The countries represented were: Austria, China, Colombia, Canada, Japan, Mexico, Ireland, Germany, Switzerland, South Africa, Sweden and Poland. Girl Scout Troop #165 from Rochester presented Patricia Sylvia, Service Unit Advisor, with a new flag for the Plymouth Council collection, the flag of Rwanda. The girls had made the flag as part of their Thinking Day program.

The scouts of Mattapoisett Cadet Troop #49 prepared a spaghetti dinner and each troop brought a dessert from the country they represented.

After the dinner an International Program was presented, with songs, games, and dances from the many countries. Each of the troops also made a donation to the Juliette Low World Friendship Fund which helps spread Girl Scouting throughout the world and makes possible international projects and service programs. Juliette Low was the founder of Girl Scouting in the United States.

Program for Irish Children

MAKE AN IRISH CHILD
YOUR VALENTINE IN 1984

If you have a home with love to share, please say "Be Mine" to a 10 or 11 year old child from Belfast, Northern Ireland for six weeks this summer. The holiday away from war-torn Belfast allows these children to participate in family life where religious labels are not barriers to friendships or futures.

Travel and insurance expenses are paid for by funds raised by the Cape Irish Children's Program. Host families are asked to provide "Love, room and board". If you feel you might be interested in helping plant the seed of hope in these young lives please contact Helen McGowan at 758-4640, or the Reverend Philip Jacobs at 996-4228.

citing night life, and features the Hotel DuPont, one of the country's top hotels. The first night we visit one of the country's unique dinner theatres for an excellent dinner, dancing, and musical fun. Second day we have an included breakfast in the splendor of the Green Room, later tour Winterthur Mansion, an original DuPont Mansion featuring American furniture spanning from the early 1700's to the late 1800's. In the afternoon you visit Hagley, the DuPont's original plant situated on the banks of the beautiful Brandywine River. Here in Wilmington America's cloth mills and powder industry began, and Dupont led the way. That night you will enjoy a fabulous dinner-dance in one of the elegant dining rooms of the Hotel Dupont. Third day, after a leisurely breakfast, we visit Longwood Gardens where flowers reach out in brilliant colors, visit the immense indoor arboretum with its dazzling display of Brazilian Rain Forests, Desert Cacti, a million flowers of every kind and color, and Chinese Bonsai Gardens, as well as relaxing with a stop amidst the peaceful waters of the Italian Water Gardens before starting for home. We can only give a brief description of the many lovely things to see and enjoy on this trip, but those of you who want more details of the trip or the history of the area and the DuPonts, please visit our office where we will keep the complete trip brochure, and also an A.A.A. travel book on this area.

These are the details to note: Trip -- April 13 through 15; rate, $199.00; to make reservation, $25.00 per person by Tuesday, February 28, balance March 13 (Tuesday); open to all Seniors in the tri-town area, but especially planned for Mattapoisett Seniors and Fairhaven AARP members. To make reservations our office in the Town Hall is open from 9:00 a.m. to 12:00 noon Monday through Friday, telephone 758-3758.

In our next release, which will list our Minibus schedule for March, we will give the details (and options) of the White Mountain Scenic Tour planned for June 3, 4, and 5, and whose deadline will be early April.

Course on "Imaging God"

Saint Gabriel's Episcopal Church, Marion is presenting during February a four-week course on the subject of "Imaging God". The new course will be conducted in the parish library of Saint Gabriel's Church, South and Front Streets in Marion on the four Wednesday nights of February 15th, 22nd, 29th and March 7th beginning at 7:30 p.m.

The program will focus on the popular images of God and whether such images are out-of-date, exclusive and harmful as well as what might be new images of God for the scientific age that are as large as the known universe and as intimate as the present image of "Father" without being sexist.

The only cost for the program is a textbook entitled: From Housewife to Heretic by Sonia Johnson, $8.95, available at the Bookstall in Marion. Two copies are also available for checking out at Saint Gabriel's Library. Those interested in attending should begin reading the book immediately. It will serve as the launching for the class rather than its focus. The course will be taught by the Reverend Ernest W. Cockrell, Rector of Saint Gabriel's Church. All people are welcome to attend without regard to tradition or belief.

Cable Progress

AMERICAN CABLESYSTEMS
BEGINS LINE EXTENSIONS IN MATTAPOISETT

American Cablesystems' General Manager Eric Schultz announced on Monday that the company has begun the long-awaited cable extensions in Mattapoisett. The first area to be built is the Brandt Island extension, followed by Mattapoisett Neck, Tinkhamtown, Point Connett and Harbor Beach. The construction will total 21 miles and pass 750 homes.

"We put in our best effort to have this build completed by January," Schultz commented, "but we were delayed by factors beyond our control. The Selectmen have been very patient with us and, in a couple of cases, actually got involved in the pre-construction process to help speed it along."

THERE'S MORE TO HEATING YOUR HOME THAN PUTTING OIL IN YOUR TANK ...

Filling your tank with oil is only the first step in keeping your family warm and comfortable during the winter months.

Maintaining your heating system in top operating condition is important to insure maximum fuel efficiency and extend the life of your oil burner and fuel pump.

Energy conservation programs are also important. Previous years have taught us that oil is a precious resource and should not be wasted. Conservation programs allow you to heat your home with less oil and for less money.

If your heating system breaks down during a cold spell in February, it's comforting to know a trained technician will service and deliver any time of the day or night, during any weather conditions.

A Better Home Heat Council Qualified Fuel Oil Dealer is the person who can deliver all the ingredients that go into keeping your family warm and comfortable.

Your qualified dealer is professionally trained to keep your heating system in good working condition. This minimizes the chance of a malfunction. But if your system should break down, your qualified dealer is on 24 hour call.

Be sure to look for the Qualified seal to assure you're being serviced by a Better Home Heat Council Qualified Dealer.

Schultz added, "I'm just happy that we've finally begun stringing the cable and will soon have new subscribers in Mattapoisett."

Chief Technician Stephen Cushing explained that Brandt Island could expect to have its first home hooked-up to cable service in about three weeks.

"We are using three construction crews to make sure that the build moves at the fastest possible pace," Cushing explained. "We want it done right, though, so we will take a little extra time to be sure that the electronics are properly balanced and tested."

The extensions in Mattapoisett represent the end of four years of waiting for residents of the five new build areas. They also represent the fulfillment of a commitment made by American Cablesystems to the Town of Mattapoisett when it purchased the franchise rights from Bay Cable TV in July 1983.

CLASS OF '88 - STAYIN' STRAIGHT

Last week the Student Affairs Committee and Junior National Honor Society sponsored an innovative tobacco, alcohol, and drug education program at Old Rochester Regional Junior High.

At a class meeting of all eighth graders, faculty members spoke from the heart to their students about making sound and responsible decisions about drugs and alcohol. Students were given pledge cards to consider and hopefully to sign. The cards stated that as a member of the class of 1988 each student would pledge to abstain from the use of tobacco, alcohol and drugs. The pledge card also committed students to support their peers who made responsible decisions to abstain from

Student organizers believed that public and positive peer pressure can be an effective means of encouraging sound decision-making by young people. More than 200 members of the class of '88 who signed pledge cards and are wearing their buttons agree. Faculty members who participated in the assembly program included Mr. Bert Allain, Mr. Ken Peirce, Mr. Tom Grondski, Mr. Rory McFee, Mr. John McCarthy, Mr. John Moore, Mr. Joao Rodrigues, Miss Carolyn Wingate, and Mr. Robert Gardner. LECTURE - THE NEW YORK EXPERIENCE

Your Theatre, Inc. takes pride in announcing their next in a series of lectures free to the public, funded by the New Bedford Arts Council - THE NEW YORK EXPERIENCE - given by Michael Champagne of New York, formerly of South Dartmouth, on Saturday evening, February 18th, at 8:00 p.m. at the theatre's 71 Maxfield Street location.

Mr. Champagne, who made his acting debut at Your Theatre, appearing in several shows, including OUR TOWN and HOW TO SUCCEED IN BUSINESS WITHOUT REALLY TRYING, worked with Trinity Square Repertory Company before moving to New York, where he received critical acclaim in several productions - most recently in an off-Broadway production of David Pownell's LIVINGSTONE AND SECHELE.

He has also written a play, THE COTTON WEB, performed in New York, which is based on New Bedford at the time of the textile mill boon.

Drawing not only on his own experience, but his experience with up-and-coming actors as a fully qualified dialect coach and as a director of apprentices at the Berter Theatre, Mr. Champagne will give advice on auditions, acting technique, and stage presence. Mr. Champagne will be available to answer questions at the close of the lecture.

Children's Theatre Workshop

SHAKESPEARE OPENS AT PBT

Applications are being received for Priscilla Beach Theatre's (Plymouth) Shakespeare for Youth Workshops featuring the classical comedy, "The Taming of the Shrew", beginning February 23rd through March 25th on Thursdays at 4:30 p.m. through 6:30 p.m. Children of the ages five through fifteen are invited to register by calling the theatre at 224-4285.

This five-week workshop is designed to introduce to elementary and intermediate grade level children the elements of Shakespearian theatre production: costume, make-up, set design, characterization, speech and movement under the guidance of professional director Angela Moylan. The children will rehearse and perform "The Shrew" on March 24th and 25th on PBT's Le Studio stage. Executive director Anne Joelle states, "the principle focus of the workshop is to guide the children to actively discover the joy and excitement of Shakespeare's theatre. Children of the youngest ages read and perform the works of Shakespeare with the greatest of ease."

This workshop is being offered as part of the classical series of workshops presented by PBT's Children's Theatre.

Blues with Della Reese

'BLUES' REVUE TO DELIVER SIZZLING EXHILARATION AT ZEITERION THEATRE

BLUES IN THE NIGHT, a sizzling, sultry blend of heartache and hope wrapped in many shades of blues, opens at the Zeiterion Theatre Saturday, February 25th, at 8:00 p.m. with internationally acclaimed actress/songstylist Della Reese. A special 3:00 p.m. Sunday matinee performance will be offered February 26th.

Set in the late 1930's the show is built around three women and a piano player in a cheap Chicago hotel. Their lives, their memories, and their music get them through the long, lonely night. The characters tell their stories through some two dozen songs. The amalgam of good old low-down, dirty blues is paired with melodies by the greats of the jazz idiom. The "golden oldies" shine again - classics by the likes of Bessie Smith, Alberta Hunter, Johnny Mercer, and Harold Arlen.

Each woman sticks to her own stage territory, but occasionally the imaginary walls come tumbling down, and they join as duet or trio. Accompanying them on an overhead stage level, and adding their own tuneful dimension, are the piano playing saloon singer and a four member combo on drums, bass, trumpet and woodwinds.

Blues in the Night was deservedly nominated for a Tony award as Best Musical in 1983. The show has been hailed as a "tearful, cheerful gem", and "a dark-toned honey of a show that warms body and soul together".

New Bedford audiences now have the opportunity to see a great lady of music, Della Reese, in a show that packs a wallop with the sound of the best American music. Tickets are now available at the Zeiterion Theatre Box Office at 684 Purchase Street, New Bedford, or by calling 994-2900.

COMMUNITY OUTREACH PROGRAM

The Dartmouth Children's Museum is pleased to announce the start of its new Community Outreach Program which is aimed at providing Museum services to underserved audiences. This ambitious new program is providing motivating science programming to elementary aged children in the greater Fall River and New Bedford areas. The program involves several facets. The two major thrusts are free on-site programs for visiting target school groups and no cost outreach presentations to targeted elementary classrooms. These two Museum efforts will serve several thousand school children through June. School groups visiting the Children's Museum will be able to choose from nine different science demonstrations depending upon their grade level and interests. Demonstration offerings include health/human biology, natural history and physical science. The programs are conducted on the Museum's second floor and school groups also have an opportunity to interact with the Museum's stimulating hands-on exhibits. Similar demonstrations by Museum education staff are also being presented in area targeted classrooms.

"We are very excited about being part of this ambitious program" said Children's Museum Director Rene Laubach. "This program will give a great many more youngsters an opportunity to be exposed to informative and motivating science programs at the Museum than has previously been possible," he continued.

The Community Outreach Program will also

Tobey Hospital

Ian Baldwin, Chairman of the Tobey Hospital "Quest for Excellence" Campaign, announced that as of January 31st pledges to the campaign amounted to $752,000 with a number of prospects not yet heard from and many more who have not yet been contacted. He stated, "There are several reasons why it is important for us to continue the drive. First, we now need more than the $750,000 that was set as our goal last September to meet the needs which the hospital had identified but which were not initially part of this campaign. The largest expense, at a total cost of $168,000, is the purchase of professional office condominiums in Buzzards Bay to help us attract new physicians to the area. Second, we feel it is important that the entire community be given an opportunity to participate in our campaign and to become involved in Tobey Hospital."

Mr. Baldwin explained that due to an incomplete mailing list many people may be overlooked. Because of this concern he further stated, "I ask anyone who has not been contacted but who hopefully desires to contribute to send in a letter with a pledge or call the Development Office at Tobey Hospital, 295-8621, 295-8624, or 295-0880, ext. 206. I also want to thank those individuals who have pledged so generously to our campaign. Your generosity will help the hospital to provide the quality personalized care you expect from Tobey."

1984 - RECENT MOVE FROM BACK OF LOT TO FRONT. HOME IS NOW OWNED BY GIROUARD FAMILY.

A few additional historical notes on the former boathouse (photo page 53): It was originally situated opposite the foot of Mechanic Street...and then a little closer to Mechanic Street after the 1938 hurricane. After the rebuilding of the first floor, the 1944 hurricane deposited it against the Steve Lowe (now Burr) house, as the larger photo shows. Perhaps despairing of keeping the building at home, the Hinsdale family sold it to Willis Munro. The moving crew was faced with the additional task of jacking it up and over the stonewall before "settling" it on the rear of its present lot. Presto's thanks to Win Jenney for the photos and facts. End of story(?)
